

COMMERCIAL LINES HIGHLIGHT SHEET

We are able to offer the following products as a monoline liability policy, a monoline property policy or as a commercial package policy. All general liability coverage is offered with no liability deductible. If not mentioned below, total insured values up to \$3,000,000 are permitted except in coastal areas where we offer \$500,000. Check with your underwriter to determine product availability in your state.

Contractors

▶ Artisan Contractors:

This product is specifically designed to accommodate over 30 eligible artisan and trade contractor classes that undertake one or multiple phases of a construction project and subcontract less than 50 percent of the work. New construction or remodeling of commercial and residential structures are all eligible subject to \$500,000 in annual payroll and \$1,000,000 in annual sales. We offer a non-reporting blanket additional insured coverage, waiver of subrogation, as well as a primary/non-contributory wording. We have the ability to package with contractor equipment, including miscellaneous tools and equipment.

▶ Builder's Risk:

This product is designed to cover owners or contractors constructing new residential or commercial buildings with up to \$3,000,000 in property limits. All risks coverage includes theft, property in transit and soft costs. We will extend the policy until project completion.

▶ Contractors' Equipment:

We cover scheduled equipment written on an inland marine coverage form, including theft and wind (except FL). Maximum schedule of equipment is \$1,000,000 subject to a maximum limit of insurance of \$150,000 per individual piece of equipment. Replacement cost valuation is available for equipment five model years old or less. Miscellaneous tools and equipment coverage is available up to \$15,000 in limits.

▶ General Contractors:

Our product is designed for general contractors engaged in new construction or remodeling work on custom homes, commercial offices and mercantile buildings. New ventures as well as general contractors who subcontract up to 100 percent of the work are eligible. Eligible annual sales are capped at \$3,000,000 with no annual limit on new housing starts.

▶ Janitorial Services:

This product provides comprehensive general liability and property coverage for many unique exposures faced by today's residential, office and mercantile janitorial businesses. We accommodate risks with up to 20 workers and consider subcontracted costs up to 25 percent of annual sales. Our flexible coverage options include; contractor's equipment, rental reimbursement, lost keys, property damage extension, employee theft, and blanket additional insureds. We permit up to 50 percent of operations dedicated to floor waxing and up to a combined 25 percent of sales for operations involving landscaping, lawn maintenance, carpet cleaning and window cleaning.

▶ Lawn Care:

Our product is designed for risks with primary operations of mowing, raking/blowing of leaves, planting, gardening and mulching, with up to 10 employees and \$500,000 in annual sales. Coverages available include general liability, excess general liability or umbrella, contractors equipment and miscellaneous tools.

▶ Owner's/Tenant's Protective*:

Our product is designed to provide more comprehensive coverage than your typical owner's/contractor's protective policy. We offer premises liability coverage and coverage for the vicarious acts of the contractor to an owner or tenant hiring a general contractor to perform major renovation or new construction work associated with either residential or commercial construction. Contract costs up to \$5,000,000 are eligible. Flexible policy terms of 3, 6, 9 and 12 months are available.

▶ Owner Acting as General Contractor*:

Our Owner Acting as General Contractor product is designed to cover the interests of an owner who chooses to act as the general contractor in the construction of or renovation of a residential or commercial building. Contract costs up to \$1,000,000 are eligible. This product is perfect for individuals who seek to manage and control their own project by performing the work themselves.

Vacant Building and Land

▶ Partially Vacant Building:

This product is designed for buildings that are 31–99 percent vacant. We can consider partially vacant buildings that are under renovation. We can provide a policy that will insure the building while it is partially vacant, and, oftentimes, we can continue our coverage once the building is fully occupied. This eliminates the need for you to re-write the account.

▶ Vacant Land*:

This product targets applicants owning up to 1,000 acres at any one location that is completely vacant, not leased to others and has no construction activity scheduled to occur during our policy term. Land with lakes or ponds up to 25 acres in size are eligible. Multiple locations can be scheduled if in the same state.

▶ Vacant Building:

Our product covers vacant commercial and residential buildings, condominium units and rental space. Coverage for contents and risks with renovations is also available. There is no restriction on the length of vacancy and we offer flexible policy terms of 3, 6, 9 or 12 months. Special form and replacement cost is available for certain risks. Our maximum property limit for the product is \$5,000,000.
